OFFICIAL PAPER OF THE CITY.

The Mans.-The regularity of the mails be two en Boffalo and third lity is perfectly outrageous and in excusable. Who never it happens that the beats fail to connect at New Buffalo, we make up somewind to bear it, as a more-any call for the present. But when the connection is made theorethout, we have a right to expect Bullido papers of two days old. Detroit papers of one day. and Chicago morning papers of the same day of their i-suc. In-read of this the Buffa'o papers fail a great portion of the times the Decois papers come in heaps, and so tee ever under two days. and the Chicago papers in quite as had a fix.

On Thursday high welled New York and Alpapers to Nov. 3d - three days only -while our Buffalo dates were to Oct. 31st (those of the 3d having roose the day previous.) We had Detroit papers of the 5th too, while there came along all the Chicago papers published since Sunday last. What under the sun of the matter? Now that the "Union is safe" by the election of a Whig Maritowork Gazenor in Wisconsin, will the P. M. G. look to the Northwestern mais?

MICHIGAN ELECTION.

The returns from 3 lehigan thus for, are of the has decease from a length this reports from the has allowed pattern. Detroit gives McClelland flore s Is majorry, in 1 the reports from the instance in Wednesday meetings Free Pressure of Play are a bullar is sort of a people over in

Michigan, after all- and don't know how to and, the "influences" A reliable better from Jackson, Nov. 2d, to the

Detroit Adort ser, says that McClelland had photo I binoselt to pardon the milroad convicts. Persy Compaint of the Connected is wall Sword " about the election returns. If its estimates, previous to the election, were absurdly extravograt, its ciphering since is hardly less so. Here are some of its vesterday's speculations to

Here are some of its yesteriany's specialisms:

For its times, saying nothing of our own country, hown was regarded as certain for 300 for Mr. Uplant. The reports take it an even thing. Lata toyette, which was regarded as doubtful, at 44-st, gives Uplant. 250 majority. Grant, Green Rover, Columbia. Portage, Manitowoc, Marquette, Saul, and the balance of the new cours ties, most of which fore consided to the Democrats they not of which fore consided to the Democrats they have these board from.

We should like to know what suggetous pulse hims we have them theoretic as who had a these to have the set of the forest to the set of the set of the forest to the set of t

twinn set down Lakeyette as "doubtful at best," and lowe as "300 certain for Mr. Uraam "!--Or who "cenceded" Grant, Green, Columbia, Portinge, Merequette and Sauk to the Hunkers-Certainly Mr. Panw and friends did not, for they considerally expected majorities in all these comties, except, possibly, Portage.

" Mone Herney ren" -The Westonsin, like the Commercial, proposes to discourse at length on the subsect of the recent election, the it attributes the result to very different "influences" from the mysteriors? interference of the "Thousand and One." The Biscosia moralizes thus :

One." The resolvent memories must be of the courses and consequences of this result we shall become speak at length—as it is a time which requires that the whole truth should be identified for it reads to be the general impression among dense at shall the result is attributable to these chear he late Democratic State Convention cosmol to be locally as a Properties State Convention cosmol to be loaders of the Party. They have sown the which as I the whirthead has already

will doubtless be glad to know why he voted for the Whig Turiff. His objection to protective duties was based upon the helief that they rahanced the price of the article protected, and that this increased price, therefore, was paid by the consumer the the other hand, the friends of the America System contend, and point to facis innumerable to prove, that such duties really operate to reduce the cost to the loone consumer, and to throw the tax upon the foreign producer.

The following meedate, communicated by a prospondent of the New York Tribune, will show how Shas Weight was forced to yield his heoretical belief in this matter to the testimony

t stubborn facts: A Committee from New York, of which I was a nomber, called on the lare Hon. Silas Wright of the Sentac, and endeavourd to engage him in a conversation on the Tariff. He objected mildly, for at that time his party had not fairly disclared on which side of that question they would array themselves.

homselves.

Mr.Wright said that his preat objection to a Pre mr.w right said shad not pred orgen paid a direct tax to sastain the manufacturer."

We then asked him if he did not think that the

competition arrising from protection, soon cansed the protected article to be furnished at a reduced He said he had heard that argument price. He said he had hered that argument be-force, but was not ready to admit its truth; that such had ant in his opinion—been the result with articles formerly protected.

"Well, Mr. Wright, if it could be clearly—shown that certification which has ever received 5 years? consecutive protection by tariff, has been furnished at the end of that time at a loss could to the consum-ce than the foreign cost at the time—the protective

at the end of that time it a loss construction of than the foreign cost at the time the protective daily was imposed, would you then agree to vote loss Protective Tariff!" "Yes, certainly," said Yr. Wright, " and I will malertale to make many articles to which your

rule will not apply."

"Well, sin," said our Committee man, " we hold you to your promiss office to flud the exception, or to vote for the tariff."

you to your promise or the trail."

"Are you really sections, sit," said Mr. W., "in supposing that I cannot and the exception?"

"Certainly, sit, we dely confron the many long-dred articles which have been protected from time to timely find one of heits not atthius are role, the very manufest capitalists find that a manufacture is protected, they invest their cupital, and others doing the same, a uses competition and consequent improvement in machinery, and thus the price is reduced, and lutther protection, at the same foreign cost, rendered unnecessary." "Why," says Mr. W., "look at the article of miss; their cost is in the material; why have they not been east is in the material; why have they not been same foregrees and the article of mans, means any Mr. W., "look at the article of mans, means in the material; why have they not been reduced by cour rule." So they have, and if you will recollect, a few years ago nails now worth four cents per pound, were then sold at 12½ cents and were it not for the use of American machines in conted in consequence of the competition made could no ry, invented in ronsequence of the competition is sing out of protection, the same nails could not be majorited from England for less than 101

Assimilation England for less than 10½ now be imported from England for less than 10½ now be imported from England for less than 10½ now be imported from England for less than 10½ now be imported from England for less than 10½ now be detected by the England for less than 10½ now be detected by the England for less than 10½ now be detected by the England for less than 10½ now be detected by pointing out the exceptions of the first pointing out the exceptions of the exception and therefore detected his pleaded by voting for tariff of 1842, and by so doing trade it a law. If the opponents of a judicious tariff have any Statesman more capable than Mr. Wright of finding the exception to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him; but until they to the rule, let them produce him the capable than the the capable t do so, they should cease to assert that "the consumer pays the duty," &c.

City Matters.

A Joillifeation! We understand that the Whigs and Democrati about town, whose joint exertions secured the glorious result of Tuesday's contest, intend to have a "free and case" to night, by way of cele-brating the pupular triumph. It is proposed to have bouries, and a torch-light procession, and such other exercises as may be thought appropriare to the occasion. All who desire to tak : part

BEAUTIFUL TOKENOF REGAIN. - As the wicow of Dr. Judson was embarking for the United States at Calcutta, a number of noble-hearted and distributested friends made her a present of 3 000 ropers, or nearly \$1.500, as a testimony of the reverence in which they held her lamented 1 ushand, and the respect and interest they felt for has bereaved family. By a striking provide now she was prevented from taking passage in the Buckinghamshire, which was burnt in the Horgly

A SINGULAR AND MELANCHOLY COINCIDENC :-Among the sufferers in the late terrible gal at Prince Edward's Island, reported in the lew York Herald, are the following :

Schooner Henry Clay, Baltimore, all hands! at ! Schooner Henry Clay, of Tremont all hands t at 1 and in the same column, Propeller Heary & ay, of Buffalo, on Lake Eric, all hands lost, with one exception.

STREET PREACHING.-The Presbytery of lew York recently recommended to the pastor of charches in that body, and other clergymen belonging to the city, to preach, as far as they could so, in the open air, at populous points, for the encut of these who cannot or will not attend the rch. The practice has been successfully introduce I in London, and is warmly advocated by the vew York Observer as applicable here.

Severage—It is somewhat singular that Wash ington drew his last breath in the last boar of the last day of the last week of the last year in the last entry. He died on Saturday night 12 o'clock, Dec. 31, 1799.—C'heomati Nonparek

Michigan Southean R. R.-On Saturday last

From the Isthmuss-Terrible Affra). The most important feature in the Isthnaus in wis relates to a terrible affect between the native ad foreign beatmen at Chagnes, resulting in the dath of a number of persons on either-side, some then California passengers bound bonce. On the P2th Oct, the foreign boatmen (principally mericans) attempted, by choiners, to provent the native beatmen from carrying on their avocation between the shore and the steamer Falcon, because the latter carried passengers to and from a shore at less than the rates fixed upon by the chites. A general fight was the result, in which the of the whites was killed. Quiet however was soon restored and continua-The most important feature in the 1-thants

institute displante triumph. It is proposed to have bonders, and a tordelight procession, and such color secretics as any lie brought up rogical and the colorism at the colorism. Columbus Lusurance Co. Office of Courses Insurance Co. ? Columbus, Oct. 21, 1851.

W. H. Sheuway, Esq., Agent.

Dear Sir:---Dear Sir:—
In consequence of the inability of this Company to nace promptly its liabilities, and the premature amountement of its failure, made by a Petroit paper, about the 3d inst, which amountement has been circulated rapidly by until and by relegant, over the country, to the almost total destruction of its business and credit the Board of Directors direct me to say that from and after this date you will discontinue the bestung of Policies and about feet he research the business of your

ital of the Co.

It is unnecessary to say, that the suspension of the hosiness of the company, is announced by the Directors with deep regret, and also that the necessity which compels to it, occasions them much prints.

nature. In terminating the relations existing between the company and its agents, the Directors express their appreciation of the services, &c.

THOMAS ADAMS. PRESIDENT. Insurerahere will not fail to attend to the Agent's

Lora Montes .-- Mr. P. T. Barnem, whose name had been connected by public rumor, with the proposed professional visit of the unterious Lollontes to this country, publishes in the New York Mirror, the following eard denying the

soft impeaclment ": 4 Warren St., Oct. 39. Editor of the Mirror:

Suc:—A paragraph is going the round of the papers credited to the Mirror, stating that he Grand Smith has engaged. Lola Montes for the United States. In justice to that goullenan, I wish to state once for all, that "there is not one word of froth in this report." Le Grand Smith has been managing the Bateman children for me during their late highly successful engagement at the St. Junes. Theatre, in London; and he is now superintending their performances in the Royal Theatre, Edinburgh, and intends manifer the tour of Great Britain, and returning with them to this country some time next year. Applications were made to me, from Lola Montes, through her agent in Pairs, but they were perfemptority declined.

P. T. Barkey M.

P. T. Barkey M. Editor of the Mirror :-

A Last Cann. - One week before the New York election the Loco Foco candidates, including Chat field, came out in a card, and pledged themselve for the immediate culargement of the Canals. The Albany Arque, does not believe in thi ort of death bod repontance, and remarks as follows upon the subject matter contained in the

card: card:

It is a safe and a general rule to treat all these elevalk hour appeals as idle trash. No party that has the slightest confidence in the popular discernment and sense of justice, will ever result these means of offence or defence. The electors as a body, despise and resent such appeals. They never fail to plague the inventors—and they never should.

Correspondence of the Watertown Chronicle. Jefferson County Circuit Court,

Jefferson, Nov. 1, 4851. Jeffensor, Nov. I, 4831.

Friend Hadley.—The court has adjourned until Wednesday morning of next week. Two important criminal cases have been disposed of—the state of Wissonsin vs. Daniel Morgan, indicted for grand larceny, committed at your place. Verdict, "guilty"—soutence, three years to the state prison. The other, and the one which clicited the deepest interest, was the case of the slate of Wisconsin vs. Christopher Kentz. Jr., and Mary Catharine Kentz, indicted for the murder last suring, in your town, of Christopher Kentz, the PREPARED from Remot, or the fourth stomack of the

consin 23. Christopher Kentz. Jr., and Jany Catharine Kentz, indicted for the murder last spring, in your town, of Christopher Kentz, the tather of one of the prisoners, and the husband of the other. The trial commen ad on Thursday, and the testimony concluded at 8 o'clock last night. Counsel closed their arguments about 12 this morning. The jury was out but 15 or 20 minutes. Verdiet—"Mary Cacharina. Kentz not guilty; Christopher Kentz, Jr., not guilty; Christopher Kentz, Jr., not guilty; by reason of insuity."

The grand jury found some rine bills of indictment, mostly for high crimes, such as grand laceny, burglary, rape, de. Bills were found against five or six Mornons living on the west side of Lake Koskonong. ide of Lake Koskonong.

SALE OF THE "CHAIN FUND."—Last week a large quantity of jowelry, consisting of carrings, branchets, breastpins, &c., was sold at public nuction in New Orleans. It was part of the available funds which had been contributed by ladies of Cuba towards revolutionizing that island. Since the collapse of that fillbuster enterprise, the value of such "tokens of patriotism and gratitude" has very sensibly declined, for, though supposed to be worth several thousands of dellars, the articles brought scarcely as many hand eds.—Philadelphia Ledger.

ONE OF THE VEGETABLES.-The Editor of the Milwankoe 117xconsin has received from the tow of Polk, Washington Co. in that State, a cabbag head weighing 2014 list and measuring 19 inche in diameter!

"Take the hat," friend Cr mer—yours is the hargest cablunge head.—[Chicago Journal.

The Capital of the State has recently been removed from Valleys to San, doe, its former location, in red symmet of the not shiftment by the capital valleys to San, doe, its former location, in red symmet of the not shiftment by the capital valleys to the soft the location of the United States of the Lond's given by him a valley of the Capital of the Logid, and site peaps soft by him.

This Verille of Committee, story the leading and we are leaply to say, almost five finding and we are leaply to say, almost five from earner. Not an entrary of an argreyated character has been committed for a long time past. Fear can describe an entrary of the location of the man also better fully the story. The land of cumin deductions the foot quarters of the grobe. The social the foot quarters of the entire body, and hence a point I in executive containts of Lutterfice to society witchilders, and see that so hand, and rain a former to a head. It has still the power to convent the whole body in cases of convergency. Its fractions are only suspended, not extinct. Throughout the infines the same diministion of cumin he had pasted in the State for the last month.

Suremet I Orrano. We learn that on Friday cooling about system of the I magnism exiles once in other weighteen from the Western and of the Michigan Soenheim Radoual, where they had been at very different from the Western and other weighteen from them last that they were defined for Sanchy of last very, calley, and other weighteen from them. They had previously been attacked on Sanchy of last very, calley, and other weights; they were them due, destinate of all means of defence. They had previously here attacked on Sanchy of last very, while situation of the party was realized the only one with them in them his group, was taken from them. The exil sweep to sufficiently segminated when had not entire the interpret of proceed to the affine and ten Go Arrano -The N. Y. Comber and Enquire

Improvements in overything in provable are the order of the day, and radicol cars seem to be the order of the day, and radicol cars seem to be the day of the ingenes. We mentioned the office day, the introduction of womening and of the New Haven Radical. We new see it statel that on the Southern Radical, the new see it statel that on the Southern Radical, the new see it statel that on the Southern Radical, the new see it statel that on the Southern Radical, the superscens walk is both in the Southern Radical that the company is to the new their whistless decreases as in the last few that passengers in a go to sleep at a ght like Christians, instead of deing obliged to six up in a chair for interesting the page 10. Bened vis Caronta, 19th ors Syler, Best, Tolo-Bench vis C v c. III.—Different Seyler, Bost, Toles, and Borton, arrested yest day aftermon, a man who give his name as John Sancod; also a wearman who says she is the wife of Sanford; and a tean win refused to give his nature.

The officers received some \$2,400, in good among y, and quite that generality of spurious—They labor formula complete set of implements for hougharious uses. There we set of implements for hougharious uses. There we three persons we find here who are supposed to belong to the gang. A part of the money received is identified as that stolen from the sale of M. S. Hawley & Co. The officers deserve great paids for the prompt manner in which they have a sel in ferreting out and arresting toward largers. They will be brought before the Police magistrate this morning.—Englished Experses.

SPOATION INTITIONS CO. Jack Rossiler beat Lady Suffolk over the Leng Island course on the 25th oil, for a purse of \$6,000, best three in five. The first heat was taken by the Lady in 2010 - Jack rook the next three of 2.35 - 2.56 and 2.34.

Do feet of the Acquation Traces Excitement in

Hornes Agree.

Boston, Oct. 27.

The late Remain brings Bremos Ayres dates of the 6th Sept. The most interse excitement prevailed in Baccos Ayres as to the progress of the war. There is no doubt that Urquiza and the Brazilians have made a practica, and that the Brazilians have made a practica, and that the Brazilians have made a function of 6000 horses and the bat 2 to and artiflety of one division, without the mins of a gain.

A letter says there is not much doubt that the Banda Oriental question is set led. Oribe, driven A letter says there is not much doubt that the Bruda Orneral question is set led. Oribe, direct to extensity, probably to the large force apposed to him, has requested the French Admiral to receive on board his vessels the Argentine tracps and convey than to Basines Ayres. This was received and all the Oriental Loops of Oribe's array had described and even the Argentine tracps refused to fight, saying that they had enough of it. The French and English Admirals, after a conkeener, declered that they should not interfere, and it was barred that Buenes Ayres might be blockaded.

blockaded.

As the Brezilian Advanal Genfell was going up the Parana Revet one of his strangers, the Alphonson was fired into from small fort of floors's, and the rigging was secut up that he was obliged to put back to Montovideo. tnother Fughise Signe Case at Syractise.

Problem Figure 1 are 1 as at Syracuse.

Syracuse, Oct. 31.

It is repeated here to day, that a fugitive slave, the wife of a colored note must of Wandell, whom the Marshal had a warrant for made her becape from the city, by the aid of a friend, who had acquired a knowledge of the intended areast.—This manning, placends were found posted about the city, warrang the prophengainst the kide appear.

The train I day of this a santy have found an inda finent against Janess Lor, of Missouri, and U. S. Beg aty Marshal Allem, for attempting to kiden the negro derty.

Last night a party of longlast under shelter of the storm and darkiness, in dead old, but answeressfel attempt to be a keing other Process Bank, in Wall street. One of the bottom was captured.

Wall street. One of the berghas was captured.

Providence, Oct. M.

This morning, Patrick McCluskey was found dead in his bed, in North Providence. His wife was in bed with him in a beastly state of moxication. A Corence's gary was called, and it appeared on examination of his body that the right age was completely forced from the sorket, and portions of it were gone. The blood had evidently been washed from the body after death. The lory returned as their verticit, "that he came to his death by vivis nee at the hands of his wife Alice McCluskey, and sone other person or persons unknown." sons unknown."

THE ECONOMIST

Double Oven Cooking Stove, (Which received the First Permina at the State Fair, lately held at Jonewille,) rair, tatify note at stanchille,)
see great advantagesover every other stove, for plate
and direct application of hear, being so arrained that
r both owns can be used at pleasure. It will cook in
the time of any other store now in two, and with half
act, not consuming over four conds of wood in one the need not consuming over four work of wood in one year.

The TREUMPH, single orient takes in long wood, it an excellent store—one that has been well tested, and given even rateal statistically.

The PRECIBET'S is different in the consequence from any other mode, in the arrangement of the fire back—as that they all to be a given improvement.

The AUNO PARILOMS is adapted to either wood or rost being decided to be a given improvement.

The AUNO PARILOMS is adapted to either wood or rost being decided to be not seen in the unstread rangement ever offered to it be beauties of the unstread grade. It is beautifully on mortal, highly linished, and perfect in every respectite uniter front ab are and below the grate being opered one of with three decays and set arranged that when open the arranged with the world as pariods.

The RADIATORS is the best coal stove over got up a fire taken to best.

From Doctor L. P. Yandell, Professor of Chemistry in the Louisellle, Massical College.

Thave looked over the list of impredients composing John Bull's Compound Extract of 8 or aparille, and have no besingten in saying flat they form a safe compound, and mediant promises well in chronic diseases, to which it is applicable.

L. P. YANDALL, M. D. Louiville, June 6, 1848.

Better Testimony than was over offered in favor of any Medicine.

From Dr. Jam's M. Moore.

Br. John Bull—I have no be station in saying, that I believe youe Sarssquarilla to be the best article ever mountainmed for the ever decreed is applialis, and many there obtained and glandular affections, lieving used it with endres success in a number of the above cases.

Ledisville, Dec. 26, 1847.

J. M. MOOHE, M. D. More Testimony from Dr. Monre.

More Testimony from Dr.Moure.

"Mr. John Bull—I am using your Sarsaparilla in several new cases of seredula, and win logby effect. I am new confident it is one of the most effications medicines that can be made for that disease.

Minchester, Ky., Feb. 1, 1848.

What Dr. Pyles, Physician by appointment to the Louisville Marine Hospital, and of Bull's Sarsaparilla.

Linew examined the preser plions for the preparation of John Bull's Sarsaparilla, and it believe the combination to lo an excellent one, and well culculated to produce and terrative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.

Loss of Appetite. THE CONSTANT USE OF PHYSIC FOR THE ABOVE DANGEROUS I This any Physician will tell you—The more physic used, the more it requires—at last the tone and

action of the bowels are destroyed, and the patient secomes afflicted with numerous kinds of nervous disorders. The Genuine Dr. Townsand's Sam sparills, has never failed in a single instance of cur og the Pilos and Costiveness, which to Females, is the great cause of those complaints which consume their strength, waste their Nervous energy, and enfet of the whole Constitution. Mental Weakness is consequent upon physical prostration.

This Medicine acts as a simple, but powerful To-wic. It checks the tendency to exhaustor, RENOVATES THE BLOOD, allays Narvous Executement, and remainstes the Whole Body with New Life.

Dr. JAMES R. CHILTON, The most celebrated Chemist in the United States, has had charge of the Manufactory for more than a year, and has made many important is sprovement. in the Medicine—from one to two teasp confuls of the Improved Samaparilla, is all that is required for a

ose, to set as a mild Alterative and T nic. Beware of Counterfelts. Dr. Chilton's Certificate, printed on green paper. will be found on every bottle prepared since February, 1850, as well as Dr. S. P. Townsond's signature, on steel plate label on the outside wropper.
